

THE LIFE SCIENCES MAP OF GREATER PHILADELPHIA

SELECT
GREATER PHILADELPHIA™

No matter what your market, you can get there first from Greater Philadelphia. Life sciences companies based here find every resource needed for drug development and commercialization, from R&D, venture capital, clinical trials and regulatory assistance to licensing, packaging and marketing communications. All supported by a nearly 370,000-strong life sciences workforce, a network of 92 colleges

and universities, plus a well-established infrastructure of materials, supply and support companies.

Life Science is our #1 economic engine, with more than 420 industry-related companies thriving across our 3-state, 11-county region, and plenty of room for more. Why not let us help put your company on the map? Call 800-221-0774 or visit: www.selectgreaterphiladelphia.com/lsmap
