“This is a great indicator of the gathering momentum of the Greater Philadelphia business community,” said Thomas G. To be eligible for this year’s *Inc. 500*, companies had to be U.S.-based, independent and privately held through their fiscal year 2005, and have had at least \$500,000 in net sales in the base year of 2002. In addition, their 2005 sales had to exceed 2004 sales. Companies are ranked on cumulative three-year sales growth from 2002 to 2005.
